Terms

1. In order to achieve rank status in the recognition program, members are required to reorder certain BV in a quarter:
Rank 1 – 90BV, Rank 2 – 120BV, Rank 3 – 150BV, Rank 4 or above – 250BV. NOTE! The IRP Quarter does not end as the Standard Calendar Quarter. Please check the IRP Program Timetable!
2. Quarterly repurchase is categorized as personal purchase. The BV generated will also be calculated toward your upline distributors.
3. Monthly Group BV refers to the new BV generated in a member's Registered Business Centre (RBC) in a month. This includes the combined total of the wholesale product orders that are processed through the RBC's of your Personal Group Distributors.
4. To qualify for rank recognition and reward prizes, a member or Distributor's account must be 'active' and in good standing, must be Gold ranked and fully qualified within the NHT Global Two Team Infinity System.
5. Qualification year is January through December. (Please refer to the "Commission Month Timetable" for the qualification calculation.)
6. To achieve Recognition Program rankings, a member or Distributor must meet rank qualification for at least two months of a set quarter; or 2 consecutive months across quarters (for instance Sept./Oct.). Each month calculation is based on new incremental volume. (Please refer to the "Commission Month Timetable" for the qualification calculation.)
7. Rewards are non-transferable. There is no cash option or alternative gift in lieu of the designated reward associated with International Recognition Program ranking.
8. Once members or Distributors reach the Director level, they will be required to sign and abide by the NHT Global Business Code of Conduct as part of their level requirements.
9. NHT Global does not restrict distributors from selling the services and products of other companies. However, direct or indirect promotion of those products and services directly or indirectly to NHT Global distributors worldwide is limited to that a distributor has personally sponsored.
10. Members are required to attend Company activities to achieve their level.
11. Prizes can be received only once. If you lose ranking in the International Recognition Program, but re-establish standing at previous-held level, prizes / rewards will not be sent a second time. Prizes / rewards for newly held recognition ranks will be rewarded however if new rank advancement is achieved.
11. All dates / times in this program are based on U.S. Central Time.
12. NHT Global has the final decision for any disputes in regards to the above program.
