1. Basic terms and conditions of this program are subject to the International Recognition Program (IRP) terms and conditions.
2. To qualify for the rewards outlined in this program, a member must be active, in good standing and is subject to ethical business conduct.
3. To achieve rank status in the IRP program, members are required to reorder (Personal order) certain BV in a quarter: Rank 3 – 150BV, Rank 4 or above – 250BV. NOTE! The IRP Quarter does not end as the Standard Calendar Quarter. Please check the IRP Program Calendar!
4. To participate in this program, it is required to be a Platinum ranked NHT Global member and to accumulate the minimum requirement of PGV from initial orders every quarter as below:  
Rank 3 & 4: must accumulate 300 BV or more in PGV from initial orders every quarter.  
Rank 5 or above: must accumulate 750 BV or more in PGV from initial orders every quarter.
5. NHT Global will notify winners of rewards individually by using contact information in NHT Office.
6. NHT Global will not be responsible for obtaining visas and other travel documents. Qualifiers are responsible for obtaining their own valid travel documents, if needed.
7. For the Luxury Car Subsidy, qualified members must submit the car model information, price and supporting documents to prove the car was purchased until March 2025. NHT Global will verify the information provided before the subsidies are rewarded. If a member qualifies and has previously received the Supreme Bonus Luxury Car Subsidy in any prior year, they are not eligible for a repeat reward. Instead, for those who meet the 80-point qualification, an additional Trip to International destination quota is awarded, enabling them to bring a family member. Furthermore, those achieving a 100-point qualification will receive an extra benefit—an upgrade to an immediately superior room.
8. The reward is calculated in US dollars and will be converted into an equivalent local currency using NHT Global system exchange rate, when appropriate.
9. Members who are Rank 5 or above must abide by the NHT Global Leadership Code to achieve the rewards listed above.
10. All qualified points will be updated in NHT Office and posted 30 days from the quarterly end date. If a member does not see any updated points in NHT Office, please contact NHT Global customer service at [support.in@nhtglobal.com](mailto:support.in@nhtglobal.com).
11. Rewards cannot be converted into cash or other gifts.
12. NHT Global reserves the right to withhold payments of the rewards for any reason.
13. NHT Global reserves the right to disqualify distributors from this program should we find out they have used any kind of unethical behavior to obtain the qualification.  
“Qualification” is understood as being eligible by NHT Global to earn a quota to participate on the incentive trip or win any other reward, even after the qualification period is finalized and until the same date of the incentive trip. Any distributor that was suspended by NHT Global before the date of the incentive trip will be automatically disqualified.
